

ADDENDUM NO. 1
To the Specifications and Contract Documents
For
S Elm Street Reconstruction
City Project No. 502203

Addendum No. 1 Issued: September 3, 2024

This addendum forms part of the Specifications and Contract Documents for the above referenced Project and modifies the original Specifications and Contract Documents. Offeror shall acknowledge receipt of this addendum in the space provided below and in the PROPOSAL section of the Contract Documents. Failure to acknowledge receipt of this addendum could subject the offeror to disqualification.

The addenda and updated documents have been posted on-line and can be viewed at:

<https://www.civcastusa.com/project/66ba52bb5880db9d7951042d/plans>

Addendum No. 1:

The specifications and contract documents for S ELM STREET RECONSTRUCTION are hereby revised by Addendum No. 1 as follows:

Project Manual:

No revisions have been made as part of this addendum.

Construction Drawings/Plans:

No revisions have been made as part of this addendum.

Questions and Clarifications:

1. Questions Submitted as of 10:00 AM on August 27, 2024 have responses provided in table below:

Question/Comment		Answer
1	8/27/2024: What is the engineer's estimate for the project?	Refer to the Request for Proposals within the Project Manual
2	8/27/2024: Who pays for construction materials testing?	Refer to Bid Item #9 and the associated Pay Item Description within the Supplementary Conditions of the Project Manual.
3	8/27/2024: Who pays for construction water usage?	The Contractor will be responsible for checking out a construction meter with the City and paying for the deposit. The City will pay for the water usage during construction. The Contractor shall adhere to all requirements for water meter usage such as but not limited to having the meter read monthly.
4	8/27/2024: Per NCTCOG specs, does the City allow for a vibratory truss screed for street paving in lieu of a slip form paving machine?	The Contractor may utilize any method of street paving that provides the best final deliverable and is consistent with the specifications associated with this project. The City does not require the use a slip form paving machine as part of this project.

Information to Offerors:

This Addendum No. 1 forms part of the Specifications & Contract Documents for the above referenced project and modifies the original Project Manual & Contract Documents of the same.

Acknowledge your receipt of Addendum No. 1 by completing the requested information in the space provided in PROPOSAL section of the contract documents.

Include a signed copy of Addendum No. 1 in the sealed bid envelope at the time of proposal submittal. Failure to acknowledge receipt of Addendum No. 1 below could cause the subject bidder to be considered "NON RESPONSIVE", resulting in disqualification.
